C & C Hydraulics is an **Authorized Service Repair Center for Unibloc Pump**

We have: **As New Warranty & Quick Turnaround** service available on the popular **PD300, PD350, and PD400** hot oil and batter pumps.

Our company slogan is **Repairs done with “I Love My Job” Quality**. And we do. We at **C&C Hydraulics** pride ourselves in doing great work at a very competitive price. We keep up with the latest technology to make sure your **Unibloc pump** is rebuilt back to factory specs. If you are not currently using Unibloc, we can assist you in changing to Unibloc at your plant, to make sure you are operating with a better pump with a lot less maintenance.

SAVE BIG \$\$\$\$ ON A UNIBLOC PUMP REBUILD!

We are saving plants up to \$1000.00 and more per pump over buying a new pump!

We offer pick up and delivery service in our area and are set up with a number of freight lines to get your pumps back to you in a timely manner. We keep parts in stock for **quick turnaround**, to serve you even faster. And, of course, we rebuild several other lines of pumps, motors, cylinders, etc.

So give us a call at **C & C Hydraulics** and we can get **your company** saving money, like we have for so many others.

Repairs are done with “I LOVE MY JOB” quality!!!!
